Kelly wins first League championship

Weeks of drama were capped off by **Kelly** edging out **Manuel** for the League title by what became a 1.1-point margin. It was Kelly's first league championship after 6 years in the League and Manuel's best showing in his team's third year. Manuel was 16 games under .500 one year ago; the team shot up to 26 games over .500 this season.

Wes, another member of the "Original Five", had his best season after 5 consistent years (never finishing below .500, never more than 5 games over). **Carlos** took fourth place, finishing in the top four for the fifth time in six years.

Bruce slipped to fifth place after two consecutive championship seasons. **Doug** followed up last year's third-place finish with a solid 6th place showing.

Chris finished seventh with his team's best record in his four years. **Mike** finished in eighth place for the second consecutive year, ahead of only the expansion teams.

Of the expansion crop, **Grant** marked a strong return to the League with a respectable record to lead the first-year teams.

Duane finished tenth and **David** made a last-week surge out of the basement where **Scott** found himself at season's end. All expansion teams made solid acquisitions for the upcoming season.

Settling up!

Teams expecting winnings will find a personal cheque from myself enclosed with this report. Any teams owing money are to pay their debt immediately to me.

Enjoy the playoffs!

Keep your eyes open for a report (to be produced in late May) with more stats and information for the 1993/94 season. Call in with any suggestions you may have! This league is growing stronger and let's keep it going in the same direction!
